

# May Mission Month

Hi Church,

One of our May Mission Month Projects is to assist with the support of Karen Sowden. In her work at Sydney University she partners with the Evangelical Union.

## What is the Evangelical Union?

The Sydney University Evangelical Union (EU) is a student club at the University of Sydney.

## What is the Evangelical Union about?

The EU is about helping Sydney University students come to know Jesus, to be followers of Him, and to see change in their lives in order to glorify God in all that they do.

The EU offers opportunities for students to gather together on campus:

- To engage in Bible study
- To gather together for public Bible talks
- For training for Christian service

The Evangelical Union has three objects, which direct all activities:

1. To present students with the Christian Gospel and to lead them to a personal faith in the Lord Jesus Christ.
2. To strengthen Christians in their faith and witness and to encourage them to continually submit every aspect of their life to the Lordship of Christ.
3. To ensure that Christians in the University are made aware of the nature, needs and challenge of Christian service at home and abroad.
